# Extend Learning Beyond the Classroom

TexasHOALaw.ai gives Texas HOA board members a practical research tool they can continue using long after the course is complete.

**Course participants can:**

- ✓ Ask questions about Texas HOA law
- ✓ Upload and search their governing documents
- ✓ See the sources supporting each answer

There is no cost to your organization and no obligation to participate.

### Complimentary Access

- ✓ Free instructor access
- ✓ 90 days of complimentary full access for all course participants
- ✓ No payment information required
- ✓ No automatic renewal — a discounted annual subscription is available afterward for those who opt in
- ✓ No contract
- ✓ We welcome your feedback during the program

**Interested in trying it with your course participants?**
